Growing Together, Rooted in the Community

A Note from our President

Hello KWN Members!

2021 is flying by and July is our halfway point. Our July 9th lunch is a "must attend" to hear from our Mini-Grant Recipients about how they will use the funds we granted and inspire us with local action. Register for lunch with the link below. If you are in touch with a former KWN Member, invite her to come back. Invite someone new to lunch with you in July, August, or both.

As we get closer to pre-COVID activities, I am thrilled that we will have a September 17, 2021 fundraiser Gala celebrating our 40th year as a 501(c)3 Nonprofit. Mark your calendar to dress up and join us! details below.

"No one can solve everything. But everyone can solve something. So Start Small. Ask for all the help you can stand. Who cares how it looks, or if every piece falls into place at the right time. Who said it was a race? Just start. Are you going in the right direction? Yes - because you're trying. You care. You've cracked the code." Deciphe(RED)

The back of the book, "Be Inspi(RED)" that I have been quoting in each newsletter message, says "Prepare to be Inspi(RED) and change some lives in the process." I truly believe that KWN can do the same for women in our community by connecting, sharing, empowering, and inspiring connections and action.
